October 27, 2016 – Public Hearing – 6:00pm**

Councilman Youmans stated that he had heard recently that the News Herald vacated their office on Main Street and then asked if it's true.

Town Clerk Millious stated that's not correct, she still gets the papers so there are still people working there. She continued by saying that the person who does it was on vacation and someone else was supposed to do it, she even called to make sure it was all set because it was important but then on Monday she got an e-mail telling her it was too late.

Councilman Youmans stated that the way the law is written, it says that if there is a paper published within your town, it must be your official newspaper.

Councilman Dolan interjected that it isn't published here.

Councilman Youmans stated that it is why he asked.

Town Clerk Millious stated that she looked up the law about the Notice for the budget and it said as long as it was in a paper where there would be readers from your town, it was alright.

Supervisor Crandall stated that it was perfectly legal and it was fine.
