March 20, 2019

Philip Crandall, Supervisor
Town of Coeymans
18 Russell Avenue
Ravena, NY 12143

Dear Supervisor Crandall,

It has been brought to my attention that the Town of Coeymans is considering a proposed Clean Air Law. As the supervisor of a neighboring community, I would like to offer, and you to consider, my thoughts, appreciation and full support of this local law.

Air quality is no respecter of municipal boundaries and actions taken, or not, can impact our neighboring communities. Your proposed action will not only protect the health and well-being of the residents of Coeymans, but also those residents of adjoining communities.

On a personal note, my daughter and her family live in Coeymans and my three grandchildren currently, or will soon be attending RCS. Protecting their health is my utmost concern!

I do believe that the Town of Coeymans is well justified in setting standards for public health and safety and to require effective levels for monitoring, reporting and enforcement.

I strongly support the passage of proposed Local Law #1 of 2019 known as the Coeymans Clean Air Law.

Thank you for considering my thoughts on this important issue.

Sincerely,

Douglas E. LaGrange
New Scotland Town Supervisor
