NRI updates

We are a few weeks from submitting a solid draft that can then be reviewed and edited. We are working toward have the final version adopted by the Town.

Motivated by information from the NRI, SL is interested in documenting critical environmental areas and submitting the official materials to the NY State DEC.

Clean energy grant

We need to have town employees attend a training to qualify as a clean energy community

Hazardous Waste Day

The Town will have a hazardous waste collection day and include electronic recycling
Dan Bosworth will follow up with the Town to receive a date.

Planning Board Meeting Review

A few subdivisions

One on Paine Road

Two lot subdivisions south of the Alcove reservoir

Yanni's Project. DEC and SHPO (State Historic Preservation Office out of the NY State Parks department) agreed to act in concert as lead agency for the SEQR.

Liotta property. Owner runs a recycled materials business in Long Island with interest sets in importing materials. He wants to store material at the site and sell it. Proposed mulch and topsoil and has business that included recycled concrete aggregate.

Other business

Ingrid Haeckel is doing a training on the Hudson Valley Natural Resource Mapper at Colonie Library on Tuesday April 30 from 5:30pm - 7:30pm

May 10, 31 and June 14 Land Use Leadership Alliance Training Program sessions are being offered by the Elisabeth Haub School of Law at Pace University (Pace Law)
Each session is all day.

The Village of Castleton-on-Hudson hosts Repair Café on many Saturdays from 11 AM to 3 PM - all year 'round. As part of our outreach desires, the CAC would like to investigate this program and seek local partnerships to implement something similar locally. Our first partner is the local RCS Community Library.
